INFORMATION TECHNOLOGY DEPARTMENT

REQUEST FOR PROPOSAL (RFP)

**Procurement of 10 KVA Online UPS with Isolation Transformer System
1 Phase Input / 1 Phase Output (1:1)
Battery Configuration: 180V DC Bus**

RFP NO : - YUB06

RELEASE DATE: - 11/05/2026

UPTO DATE:- 20/05/2026

Disclaimer:

The information contained in this RFP document, or any information provided subsequently to the bidder(s) whether verbally or in documentary form by or on behalf of the Bank is provided to the bidder(s) on the terms and conditions set out in this RFP document and all other terms and conditions subject to which such information is provided.

This RFP is neither an agreement nor an offer and is only an invitation by the Bank to the interested parties for submission of bids. The purpose of this RFP is to provide the bidder(s) with information to assist in the formulation of their proposals.

While every effort has been made to include all relevant information and requirements, the Bank does not claim that this document contains all the information each bidder may require. Each bidder should conduct its own investigation and analysis.

The Bank reserves the right to amend, modify, or supplement this document at any stage without assigning any reason.

Eligibility Criteria:

- The vendor should have a Registered company under the Indian Companies.
- The vendor should have provided similar products/services to at least 10 Banks/Organisations in the last 2 financial years.
- The vendor should not be disqualified by the Nationalized Bank/Co-op. Bank/Foreign Bank/Pvt. Bank or any other Bank. The vendor should have authorization for the proposed product service.
- The vendor should not outsourced further for given products and services.
- Vendor should give costing and technical details as per products/services details given.

Payment Terms and Conditions:

- GST will be paid extra as applicable.
- TDS will be deducted as applicable.
- Payment against invoice after successfully installation.

Negotiation:

The vendor has to submit a negotiable and appropriate cost.

Delivery Timelines:

The bank is under no obligation to accept the lowest offer received in response to this tender and reserves the right to split the order or reject any or all the offers including incomplete offers without assigning any reason whatsoever.

Pre-requisite:

The vendor shall provide all necessary pre-requisites required for installation and implementation of the proposed solution.

Technical Inspection and Performance Evaluation:

The Yavatmal Urban Co-operative Bank Ltd. reserves the right to conduct technical inspection and performance evaluation of the proposed solution/services.

The Bank may request Proof of Concept (POC) during evaluation.

Delivery Timelines:

- Delivery of products within seven days of the PO date.
- Installation/implementation within Ten days of the product/license delivery.

Scope of Work:

The bidder shall supply, install, test, and commission a True Online Double Conversion UPS system of 10 KVA capacity at the Bank's Head Office.

The UPS system must include an inbuilt galvanic isolation transformer and should support a 180V DC battery bank configuration.

BRIEF REQUIREMENT:

The Bank requires procurement, installation, testing, and commissioning of **10 KVA True Online UPS Systems** with inbuilt Isolation Transformer suitable for Banking IT Infrastructure at Head Office.
